Are you looking for a friendly and energetic work atmosphere?

Thomas Tree and Landscape may be the right company for you! We have taken pride in designing, installing, and maintaining a variety of unique and creative residential and commercial landscapes for the past 35 years. Specializing in natural stone products and unique water features, we install everything from plants, patios and retaining walls to low voltage lighting. We are looking for motivated, enthusiastic, team-oriented individuals to join our landscape team.

Full time and full time seasonal.

Positions needed are foremen, crews, and maintenance.

We offer: Health insurance, retirement, profit sharing, and competitive top wages with overtime after 40hrs.

We require: Valid driver's license along with preemployment drug test and medical card. Knowledge and implementation of safety requirements for safe working environments.

Class A license and equipment operating experience (skid loaders, dump trucks, power tools, etc.) beneficial but not required.

If interested, please contact Jane Thomas(jane@thomastreeandlandscape.com) or send your resume to the mailing address above.
